Specialist Counsellor

- **Based in Traralgon**
- **0.6 EFT negotiable**
- **Ongoing Contract**

We are looking for a suitably qualified counsellor to join our thriving Gippsland-based counselling service located in one of the largest regional centres in country Victoria. We have an excellent referral network and are looking for someone who is comfortable delivering face-to-face work and the possibility of online or phone counselling sessions. We provide a supportive and thorough onboarding process to immediate clinical work.

At Soothe 2 Shine we are passionate professionals who are dedicated and committed to helping make a difference in our local community. We provide high quality assessment and tailored counselling services to individuals and families. Our client base includes children, adolescents, and adult populations. We provide assistance to private referrals, Victims of Crime, Employee Assistance Programs (EAP). We also provide education and information to our wider community experiencing a range of mental health issues or stressors, particularly anxiety, depression and trauma.

Key Responsibilities

- Provision of therapeutic counselling using evidence-based assessment to deliver therapeutic interventions for children, adolescents, adults, and their families and reach positive outcomes.
- Professional and ethical management of client case load.
- Identify and follow up risk issues as required, including mandatory reporting as required.
- Maintain online service provision records.
- Work closely and collaboratively with the client, their families, and the care team to achieve therapeutic goals and outcomes.
- Monitor, evaluate, and record client progress with respect to their goals.
- Ability to work with our partner organisations.

About you

The successful candidate will have a high level of written and verbal communication skills; a passion for working with people from all walks of life; a drive to ensure best care possible for every client; exceptional time management skills and excellent personal engagement skills.

The successful candidate will be a professional in their field, who can work both independently and working within a cohesive and committed, high performing practice. Applicants who have exceptional levels of ethical standards, well-developed interpersonal communication and teamwork skills, and have the capacity to manage and ensure high standards of practice are invited to apply.
